Adamus' Abundance Clinic

CCCC Studio, Louisville, Colorado

August 9, 2014

Abundance is a challenging issue for many people on the spiritual path. There are strong overlays about money being "the root of evil" and many people have taken vows of poverty in this or past lifetimes as part of their spiritual journey. On a more practical basis, many simply don't have a financial or business background, and therefore believe that they don't know how to make or manage money.

In this much anticipated clinic, Adamus® Saint-Germain will help you understand the resistance to abundance, and give you the tools to break through the barriers in order to receive what you need and deserve in your life.

THE THRESHOLD

Vernon, BC, Canada

November 9 - 18, 2014

THE THRESHOLD is a premium Crimson Circle event based on what Adamus Saint-Germain calls The Threshold of Enlightenment. According to Adamus, our journey on the spiritual path has encompassed many lifetimes, but now we hesitate at the threshold of the realization of enlightenment. During this very intense 5-day gathering we will dive deeply into our makyo, dragons, distractions, excuses and fears about THE THRESHOLD. We have selected beautiful Lake Okanagan, Canada for this gathering. Lake Okanagan is nestled in the mountains near Vernon and Kelowna, British Columbia. It is known as the "Napa of the North" due to the region's spectacular wines. Limited to 24 attendees plus staff.

TRIP OF A LIFETIME

TIMELESS ON THE NILE

Luxor, Egypt and 7 day Nile Cruise
November 9 - 18, 2014

TOUR HIGHLIGHTS

- 7 days and nights aboard our own 5-Star cruiser (Shaumbra only – no other guests). Cruise on the 5-star Movenpick Royal Lily Nile Cruiser to Edfu, Kom Ombo, Aswan, Kena and Abydos
- Guided by Mr. Hassan Khalil, senior professional Egyptologist and longtime Shaumbra friend.
- Live channels from Adamus Saint-Germain, Kuthumi Ial Singh and Merlin.
- Also includes on one night in Luxor on November 9 and one night in Luxor or Cairo on November 17

Adamus has personally chosen the theme "Timeless on the Nile" for this Shaumbra adventure. You'll experience freedom from time, the very element that holds together our human dimension and often causes energy and consciousness to get stuck. With the ancient temples as a backdrop, we will go beyond the limitations and illusions of time in order to meet your Free Self coming from the future. Adamus has invited Merlin-Kammet (the Merlin from the King Arthur era) and Kuthumi to join him in delivering messages and energies at our daily gathering on board the Nile Cruiser or at

the temples. If you've ever considered going to Egypt, this 9-day adventure is a dream come true. Every detail has been carefully planned to provide a safe space and unforgettable memories.
