THE THRESHOLD

Vernon, BC, Canada

February 15 - 20, 2015

We loved the recent experience with the THRESHOLD and Sparkling Hill Resort & Spa that we decided to go back right away. THE THRESHOLD is a premium Crimson Circle event based on what Adamus calls The Threshold of Enlightenment. According to Adamus, our journey on the spiritual path has encompassed many lifetimes, but now we hesitate at the threshold of the realization of enlightenment. During this very intense 5 day gathering we will dive deeply into our makyo, dragons, distractions, excuses and fears about THE THRESHOLD. Sparkling Hill Resort & Spa is the ideal setting for THRESHOLD, surrounded by nature and a world-class spa for nurturing yourself between sessions. Featuring live music with Gerhard & Einat (Oryom). Limited to 25 attendees.

Adamus Saint-Germain's CONSCIOUSNESS UNLEASHED

Medellin, Colombia

March 20 - 22, 2015

Adamus Saint-Germain provides a core message and experience about con-

sciousness in the fast-paced, dynamic workshop. According to Adamus, consciousness is the basis of all reality and energy, yet our consciousness has been limited during our arduous journey on Earth. The limitations are unnatural, potentially leading to anxiety and depression while taking away much of the joy of life. In Consciousness Unleashed, Adamus guides us through profound experiences to open the consciousness, creativity, intuition and imagination. Consciousness Unleashed is for you if you're looking to move stuck mental energies and open to fresh creativity and inspiration from within. This gathering is ideal for anyone who wants to go beyond conformity and limitations. Come ready to break through! Spanish translation.

Featuring Adamus, Merlin and St. Germain

KASAMA™ - The Soul Destiny

Kauai, Hawaii

April 12 - 17, 2015

In a recent Keahak session, Adamus talked about "Kasama." He defined it as

"the soul's destiny," noting that Kasama is when one becomes timeless, thereby allowing the destiny of enlightenment to be realized in not only the future, but the past and present as well. As this occurs, the light body integration and the integration of time and timelessness are facets of the same enlightenment truth.

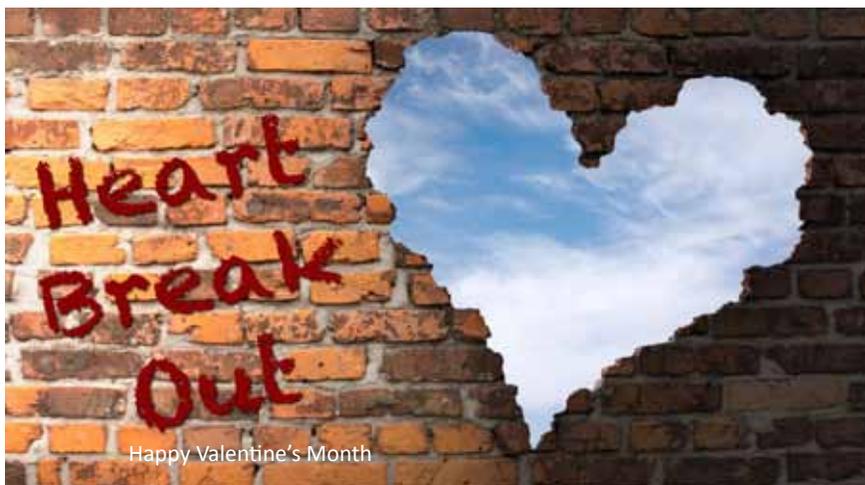

During our 5-day gathering with Adamus, Kammet the Merlin of Avalon, and St. Germain, we will open to the consciousness of Kasama. This gathering is very experiential and personal. This new workshop is considered one of the 4 pillar Crimson Circle classes. We highly recommend (but do not require) that attendees have taken the Sexual Energies School and Quantum Allowing. Limited to 80 attendees. See the Crimson Circle website for details.

Kauai is one of the most popular locations for Shaumbra gatherings. We're back in April 2015 for the 10th year in a row! The safe space and energies of Kauai make it an ideal location for doing deep integration work.

LIGHT INTEGRATION

and the Body of Consciousness

Sedona, Arizona

June 8 - 9, 2015

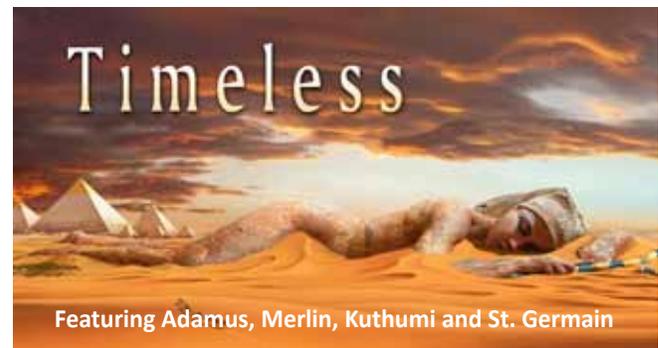

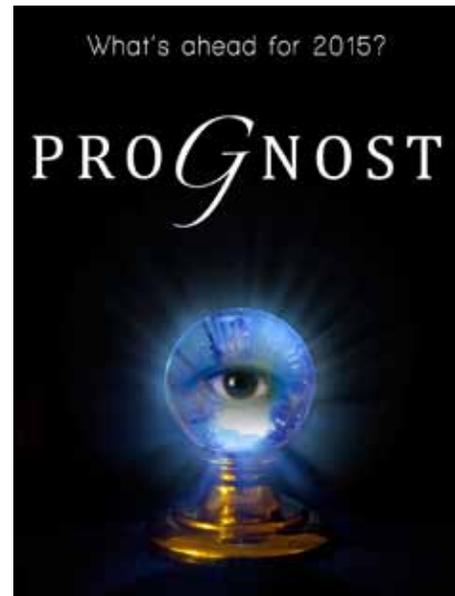

Geoffrey and Linda Hoppe team up in Sedona with renowned master teacher Jim Self (MasteringAlchemy.com) for an intense two-day workshop to integrate levels of the Light Body and Light Mind. In recent years, both the Crimson Circle and Mastering Alchemy have been focused on receiving the Light resonance into the physical reality. For the first time ever, these world-class teachers come together to guide attendees into Light integration of the body and mind. Jim Self will lead the discussions and experiences with the Light Body integration. Adamus Saint-Germain, through Geoffrey Hoppe, will

lead the discussion and experiences with the Light Mind integration.

Here's what you'll learn and experience:

- What is the Light Body?
- What is the Light Mind?
- What is the Body of Consciousness?
- How does the integration process begin and what can you do to make it graceful?
- How do these changes affect the physical body and mind as the integration occurs?
- How will you know when the integration is occurring?
