WHAT'S AHEAD FOR 2015?

PROGNOST 2015

Crimson Circle Connection Center

Louisville, Colorado

January 17 - 18, 2015

ProGnost is back for 2015! Join Adamus Saint-Germain, Jim Self (MasteringAlchemy.com), Dr. Douglas Davies, and Geoffrey and Linda Hoppe for this look into the major trends and influences for 2015. The ProGnost 2014 event was one of the most popular webinars of the year because it offered excellent in-

sights and suggestions for dealing with the rapidly-changing planetary energies. In ProGnost 2015 we'll take a look at the greatest potentials and influences for the year, and offer suggestions for dealing with the rapid changes. ProGnost 2015 will be available for a limited number of live attendees, as well as a live webcast and Cloud Class.

FIRST AND ONLY TIME IN COLORADO!

QUANTUM ALLOWING

Crimson Circle Connection Center

Louisville, Colorado

January 21 - 25, 2015

Quantum Allowing is Adamus' next major step with Shaumbra. The underlying assumption is that enlightenment is a natural process. As a person approaches enlightenment there is a tendency to manipulate or control one's life, or to get caught in a quag-

mire of energy-consuming distractions. Quantum Allowing opens the pathways for the energies of creation to support what you and your soul-self choose in life. It dives deep into the natural state of grace in order to break through seen and unseen barriers. It is an experience rather than a teaching; it soars past compromises and the fear of change. 82% of previous attendees rate it as "Life Changing."

4 SPACES LEFT

THE THRESHOLD

Vernon, BC, Canada

February 15 - 20, 2015

We loved the recent experience with the THRESHOLD and Sparkling Hill Resort & Spa that we decided to go back right away. THE THRESHOLD is a premium Crimson Circle event based on what Adamus calls The Threshold of Enlightenment. According to Adamus, our journey on the spiritual path has encompassed many lifetimes, but now we hesitate at the threshold of the realization of enlightenment. During this very intense 5 day gathering we will dive deeply into our makyo, dragons, distractions, excuses and fears about THE THRESHOLD. Sparkling Hill Resort & Spa is the ideal setting for THRESHOLD, surrounded by nature and a world-class spa for nurturing yourself between sessions. Featuring live music with Gerhard & Einat (Yoham). Limited to 27 attendees.

NEW!

Adamus Saint-Germain's

CONSCIOUSNESS UNLEASHED

Medellin, Colombia

March 20 - 22, 2015

Adamus Saint-Germain provides a core message and experience about consciousness in the fast-paced, dynamic workshop. According to Adamus, consciousness is the basis of all reality and energy, yet our consciousness has been limited during our arduous journey on Earth. The limitations are unnatural, potentially leading to anxiety and depression while taking away much of the joy of life. In Consciousness Unleashed, Adamus guides us through profound experiences to open the consciousness, creativity, intuition and imagination. Consciousness Unleashed is for you if you're looking to move stuck mental energies and open to fresh creativity and inspiration from within. This gathering is ideal for anyone who wants to go beyond conformity and limitations. Come ready to break through! Spanish translation.

FEATURING ADAMUS, MERLIN AND ST. GERMAIN

KASAMA™ - The Soul Destiny

Kauai, Hawaii

April 12 - 17, 2015

In a recent Keahak session, Adamus talked about "Kasama." He defined it as "the soul's destiny," noting that Kasama is when one becomes timeless, thereby allowing the destiny of enlightenment to be realized in not only the future, but the past and present as well. As this occurs, the light body integration and the integration of time and timelessness are facets of the same enlightenment truth.

During our 5-day gathering with Adamus, Kammet the Merlin of Avalon, and St. Germain, we will open to the consciousness of Kasama. This gathering is very experiential and personal. This new workshop is considered one of the 4 pillar Crimson Circle classes. We highly recommend (but do not require) that attendees have taken the Sexual Energies School and Quantum Allowing. Limited to 80 attendees. See the Crimson Circle website for details.

Kauai is one of the most popular locations for Shaumbra gatherings. We're back in April 2015 for the 10th year in a row! The

safe space and energies of Kauai make it an ideal location for doing deep integration work.
